Healing Prayer Ministry can help –

- break blockages preventing people from moving into their full potential in Jesus Christ
- those who feel rejected, lonely or fearful
- break the hold of evil spirits over peoples' lives
- those who have been emotionally wounded and feel hurt inside
- those who have suffered any form of abuse or trauma

By applying God's love and grace to any situation, healing is released and Satan's hold in our lives broken – this is why Jesus came!

Healing Prayer Ministry is not based on the tools of counselling or words of advice. Rather, in prayer, and with intercessors in another room praying for the ministry, the Recipient is lifted up to God where, in His grace, He reveals those blockages and root causes so that His power can be lovingly administered with permanent effect.
